

CASTORIA

for Infants and Children.

Physicians Prescribe Castoria.

CASTORIA has met with pronounced favor on the part of physicians, pharmaceutical societies and medical authorities. It is used by physicians with results most gratifying. The extended use of Castoria is unquestionably the result of three facts: 1st, The indisputable evidence that it is harmless; 2nd, That it not only allays stomach pains and quiets the nerves, but assimilates the food; 3rd, It is an agreeable and perfect substitute for castor oil. It is absolutely safe. It does not contain any opium, morphine, or other narcotic and does not stupefy. It is unlike Soothing Syrup, Bateman's Drops, Godfrey's Cordial, etc. This is a good deal for a medical journal to say. Our duty, however, is to expose danger and record the means of a lasting health. The day for poisoning innocent children through greed or ignorance ought to end. Take your children, for example, to a remedy which produces constipation and health, for it is the only one—not by stupefying it—and our readers can readily see that it is the most natural of health.

The signature of *Castoria* is a sure sign of its genuineness. In 1880, years of practice I can say I never have found anything that so filled the place.

WILLIAM B. HARRIS, M. D.,
Cleveland, Ohio.

"I have used your Castoria in the case of my own baby and find it pleasant to take, and have obtained excellent results from its use."

B. A. DEVEREAUX, M. D.,
Philadelphia, Pa.

"I take pleasure in recommending your Castoria, having recommended it to many instances, and consider it the best laxative that could be used, especially for children."

NATHANIEL K. KING, M. D., St. Louis, Mo.

"Having during the past six years prescribed your Castoria for infantile stomach disorders, I most heartily commend its use. The formula contains nothing deleterious to the most delicate of children."

CHINESE RIOT AND KILL GOVERNOR

SHANGHAI, Apr. 15.—All the property of foreigners in the city of Chongsha has been destroyed, and the governor has been killed in a riot growing out of a rice famine caused by a "combine," and the riot still continues.

The property of foreigners destroyed includes three missions. The foreigners have fled for safety.

The riot was caused by a commercial scheme to corner the rice supply. The rise in the price of rice and the scarcity of rice led to a violent outbreak. The governor was killed while endeavoring to calm the people.

Chongsha is a city of over 300,000 population, and it has been in almost a state of anarchy since the outbreak and murder of its governor.

ROOSEVELT BUST IN VIENNA

VIENNA, Apr. 15.—The bust of Roosevelt spent a very strenuous day here today, the extent of his activities exciting comment, for he filled every hour of the day with visits and receptions.

In the morning the American ex-President visited the tomb of the Hapsburgs.

Later he inspected the Austrian barracks, being received by the senior officers and given an opportunity to examine the military organization in detail. He was given a reception by the soldiers, as well as to give them inspection. He was given a reception by the soldiers, as well as to give them inspection.

The bust was a guest in the afternoon at a reception given by the Austrian government. He completed his day's activities by attending a dinner given by the Austrian government. The dinner was a brilliant function, attended by many noted diplomats, and the prizes and ladies of the royal family were present. Colonel Roosevelt was the guest of honor.

SOCIAL NOTES

Consular Reception Was Brilliant

The East and the West again met last evening on the occasion of the consular reception tendered His Royal Highness Prince Tsai Tao, uncle of the boy Emperor of China.

The representatives of all the consulates were present in full consular uniform; the army and navy were well represented by officers of these services; in full dress, while the Federal and Territorial officials were present in great numbers, as well as scores of prominent civilians to pay their respects due the rank and dignity of this representative of the Emperor of China.

His Excellency the Chinese Consul, Liang Kwo Ying, and his secretaries, Col. W. S. Schuyler, Lieut. Pardee, Lieut. P. Sheridan, Vice Consul, and other Japanese officials, Mr. Mott-Smith, Chief McDuffie and a number of detectives left the foot of Fort street at 6:30 p. m. on the customs launch Water-

with to greet His Royal Highness on board the Chiao Maru.

Prince Tsai Tao is High Commissioner of the Chinese Empire, and is on a tour of the world to investigate the military systems of the leading powers. The Prince is tall and has a very pleasing expression. He is escorted by a large retinue, and his personal staff includes two generals, a colonel, two lieutenant-colonels and captains, one of the navy, besides several subalterns.

None of the officers wore queues, and all wore uniforms of olive drab or a color akin to it. The Prince wore a queue, as did his secretary, and both were attired in the gorgeous robes of the Celestial Empire. Two handsome orders flashed from the breast of His Highness' blouse, and his small cap was adorned in front with an immense emerald, above which was a large diamond surrounded by smaller ones.

After landing, the Prince, escorted by His Excellency the Chinese Consul, repaired to the Chinese Consulate, where a reception was tendered him. Later he attended a banquet by the Chinese United Society, where he made a brief speech in response to the address of welcome. Those present at this banquet included Lord Li and General Ha, Col. Schuyler, Capt. Seales, Lieut. Pardee, Lieut. Sheridan, President Yee Chin of the society delivered the address of welcome.

Secretary Mott-Smith acted as master of ceremonies at the Chinese Consulate. The grounds were beautifully illuminated, and with the gorgeous uniforms of the officers and the dainty décolleté gowns worn by the fair sex, Honolulu has once more proved that she is not only cosmopolitan, but metropolitan.

General Ha Han Tchang, chief of staff; Lieut.-Col. King Tiao Yuen, staff of the Prince, are fluent Japanese speakers. Both were educated in the Japanese Military College in Tokyo.

An invitation which is quite flattering has been received by Mrs. Coulter, tennis champion of Hawaii, from one of the members of the Pacific States Tennis Club, inviting her to come to the Coast, and possibly gather new laurels for her crown.

Elgin Reception.

The reception given in honor of Mr. and Mrs. Elgin was a very enjoyable affair. The hall was artistically decorated with bamboo and Japanese lanterns. Mr. and Mrs. Elgin and the receiving party stood under a bower of bamboo and white lilies. A wedding bell of white marguerites hung over the bride and groom. The only regret of the evening was that Mrs. Renton and Mrs. Wright were unable to be present and receive the guests. A delicious supper was served by pretty Japanese maids. The guests enjoyed dancing until nearly 12, when "Aloha Oe" was sung by the assembled guests and then followed a rousing three cheers for the bride and groom. The hostesses for the evening included Mrs. Mason, Mrs. Bryant, Mrs. Hind, Miss Atkins, Mrs. Renton, Mrs. Henry Repton, Mrs. Gunn, Mrs. Palmer Woods, Mrs. Watt, Mrs. Tulloch, Mrs. Bond, Mrs. Wight.—Kohala Midway.

A Few Bottles of Peruna
Restored Me to Health.

Mrs. John Henderson, 2 Overdale Ave., Montreal, Can., writes:

"I was much distressed with neuralgia and was so run down that life was not worth living. I tried a great many remedies, but all to no effect.

"I met a friend of mine, and told her of my ailment. She advised me to try her remedy, Peruna.

"Although I had no faith in Peruna, I took her advice, and am pleased to state that the neuralgia has entirely left me, and have gained so in health that I feel just like my old self again.

"I am enjoying the best of health.

DICKEYS WILL ARRIVE APRIL 23

As Senator C. H. Dickey and his son, Judge Lyle A. Dickey, are due to arrive in this city by the Asia on Saturday, April 23. They left Honolulu in September last for a nice month's tour of the world.

In Switzerland they crossed the Simplon Pass on foot amidst deep snow, and later visited the Holy Land. Christmas Day was spent in Bethlehem. While in Jerusalem, the Dickey family met Vice-President Fairbanks. Judge Dickey remarked to his father that a gentleman standing on the veranda of the hotel where they were stopping looked very much like "the tall sycamore of the Wabash." Mr. Fairbanks overheard this remark and made himself known at once.

Two weeks were spent in Cairo, after which they visited India, the Straits Settlements, China and Japan. Shortly after leaving the British Isles they made a trip down the Rhine and visited Mrs. Julia Perrelli, who was Miss Alexander of this city.

NUUANU VALLEY CYCLONE.

A small-sized cyclone visited Nuuanu valley last night. A well-known Senator, who resides in this valley states that a little after midnight last night, as he was sitting in his dining room, not feeling inclined to retire, a gust of wind swept down the valley from the direction of the palm. Each second added to the blow until its force became so great as to cause a very decided swaying movement to the house. After a final kick the blow passed away. The Senator states that it was a well developed cyclone and had it lasted a few moments longer considerable damage would have resulted. He has been in the islands a good many years and has never before experienced anything like it.

THREE MILLIONS PAID ON NEW TAX

WASHINGTON — Three million dollars has already been collected under the corporation tax law. Forty-two clerks are engaged in working up the assessments against the corporations and it is expected that they will be able to conclude this work by May 10, which will afford the corporations plenty of time in which to send in their taxes before June 1.

There are about 1600 delinquent corporations. Quite a number of these failed to make their returns within the specified time on the ground that they had been dissolved. The treasury department has called upon the attorney general for an opinion as to whether a corporation in existence at the time of the passage of the law and subsequently dissolved should be required to make returns.

SIMPLE WASH CURES ECZEMA

It is now thoroughly established among the best medical authorities that eczema is purely a skin disease, due to a germ, and curable only through the skin. It is not a blood disease at all; in fact thousands of people suffer with skin diseases and are perfectly healthy otherwise, and three-fourths of them have no diseased blood. Smokey salves cannot reach the germs because they do not penetrate the skin. The only way to reach the germs is by means of a penetrating liquid.

Such a liquid can be obtained by simply mixing ordinary oil of wintergreen with thymol, glycerine and other healing agents. This compound, known as D. D. D. Prescription, stops the itch instantly—and the cures all appear to be permanent. In fact, it took thousands of cures, case after case, before the best scientific authorities were convinced of the absolute merit of this remedy. D. D. D. Prescription kills the germs in the itching skin. Its effect is seen within one minute after the first application. Honolulu Drug Co.
